The undersigned affirms that standards, regulations and procedures published by the North Dakota State Seed Department (Bulletin No.49) will be followed in producing storing and handling the seed of the field(s) included in this application. The undersigned also agrees to pay all royalties/research fees on all seed labeled in their name. NDSSD affirms that inspections are performed pusuant to Rules of Bulletin No.49. Inspections, tests, certifications are other acts are not intended to induce reliance NDSSD's inspections, certifications, or any other action or inaction for any purpose relating to quantity or quality of the seed or crop produced, fitness for purchase, merchantibility, absence of disease, or variety/selection identification. Certification means only that the plants were randomly inspected and at the time of inspection the field or seed lot met the rules of the Department.
